A BILL TO BE ENTITLED  
AN ACT

1 To amend Code Section 20-2-168 of the Official Code of Georgia Annotated, relating to the  
2 minimum school year and other matters, so as to provide that certain school days which were  
3 canceled due to disaster, emergency, act of God, and other occurrences do not have to be  
4 made up under certain circumstances; to provide for definitions; to provide for related  
5 matters; to repeal conflicting laws; and for other purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 Code Section 20-2-168 of the Official Code of Georgia Annotated, relating to the minimum

13 The State Board of Education shall define a school year, which shall be no less than 180  
14 days of instruction in accordance with the provisions of this subsection, shall define the  
15 length of the school day, and shall provide that all public elementary and secondary

22 disturbance, or a shortage of vital and critical material, supplies, or fuel, the continued  
23 operation of the public schools according to the definitions of school year, school month,  
24 or school day is impractical or impossible, then the state board shall have the power to  
25 authorize local boards of education to depart from a strict interpretation of these  
26 definitions, and such departure need not be uniform throughout the state.

(3) ~~In the event that at the end of the last complete week of the school year four or fewer days remain for completion of the regular 180 day school year, a A local board of education may, without the necessity of authorization from the state board, elect not to continue school into the following week if the complete, as make-up days, up to four additional days otherwise needed which are the result of days when school was closed due to emergency, disaster, act of God, civil disturbance, or shortage of vital or critical material, supplies, or fuel. In any such case, the school year applicable to that local board of education may terminate, in the discretion of the local board, at the end of the last school day originally designated by the local board as the end of the school year, regardless of the day of the week on which the school calendar was scheduled to end of the last complete week of the school year otherwise provided for in this Code section.~~ The provisions of this paragraph shall not limit the authority of the state board under paragraph (2) of this subsection.
